CHESS CLUB

Learn chess with Magnus Chess Academy, the five time world champion's academy! Class time is divided between lessons and practice games. Lessons range from the basic rules to advanced tournament strategies. Students will have opportunities to play in tournaments outside of club time, which may have an additional fee. All chess supplies are provided, and all grades and skills levels are welcome.

Fridays

4:15-5:15

Computer Lab

Grades: K-6th

Registration Cost: \$168

REGISTER NOW

SCIENCE MAGIC

Unleash your inner wizard at this magical science camp! Experience the thrill of defying gravity with your very own hovercraft, amaze your friends with secret messages written in magical ink, and create wands that light up with enchantment. Join us on this captivating journey, where you'll witness the seemingly magical results of your experiments and unravel the scientific secrets behind each spellbinding phenomenon. Get ready for a blend of learning and fun where every child becomes a wizard of wonder! Please pack a nut-free snack and drink for your child each day.

Fridays

4:15-5:15

Art Room

Grades: 1st-5th

Registration Cost: \$164

REGISTER NOW

SOCCER

Get ready to kick, dribble, and score in this thrilling session designed for aspiring young athletes! Participants will dive into a variety of fun and engaging soccer activities that focus on essential skills such as dribbling, passing, shooting, and defensive techniques. No matter your skill level, we will guide you through exciting challenges and skill drills, ensuring everyone improves while having a blast! Embrace teamwork, build endurance, and make lasting friendships as you play soccer.

Wednesdays

4:15–5:15

Field

Grades: 1st–5th

Registration Cost: \$135

REGISTER NOW

VOLLEYBALL

This exciting program introduces young athletes to the fundamentals of volleyball in a fun and engaging environment. Students will learn how to play the game as well as essential skills such as serving, passing, setting, and hitting through fun drills and games. We focus on teamwork, sportsmanship, and building confidence, ensuring that every child feels included and excited to play.

Fridays

4:15–5:15

Gym

Grades: 4th–6th

Registration Cost: \$125

REGISTER NOW

ZUMBA

This class is a high energy, contagiously exciting dance fitness workout specifically designed for children. Classes are designed with kid friendly music, movements, and routines. In addition to a dance work out, they will also play games such as freeze dance, dancing 4 corners, limbo, center star, balloon games, and many more. This class helps children make friends, get active after school, and love dance fitness. Zumba instructors are certified Zumba Kids instructors through Zumba International, which certifies them to teach 4-12 year old children. Instructors receive further training through Kids in Motion lead instructors.

Tuesdays

4:15-5:15

Cafeteria

Grades: K-6th

Registration Cost: \$130

REGISTER NOW

TAKE THE STAGE

Students will learn to use their own unique qualities to become an actor! Through theater games, improvisation, and storytelling, young actors will build their skills and confidence as performers in preparation for a special showcase presentation, held on the last class day.

This program has been specially adapted for after-school programs from AFYP's expanded curriculum of classes and Summer Acting Camps and is a great fit for students with any level of experience. Come "Take the Stage!"

Wednesdays

4:15-5:15

Cafeteria

Grades: K-6th

Registration Cost: \$144

REGISTER NOW

MESSES & MASTERPIECES

What's one thing all great artists have in common? They make a mess, of course! In this class, we'll create stunning masterpieces while using some of the coolest, messiest art techniques ever. From Frida Kahlo, Picasso, Salvador Dali and more, each messy masterpiece will be inspired by a different master artist. Kids, you better roll up your sleeves, because no masterpiece was ever made without first making a mess!

Tuesdays

4:15-5:15

Art Room

Grades: K-6th

Registration Cost: \$160

REGISTER NOW

INTRO TO PYTHON CODING

In this program, students will take their first steps into text-based programming using Python. They will learn fundamental coding concepts such as variables, loops, conditionals, and functions through interactive lessons and hands-on projects.

By the end of the course, students will have built small programs and games, helping them develop problem-solving skills and a strong foundation in coding. No prior experience with Python is required—just curiosity and a willingness to learn!

Tuesdays

4:15-5:15

Computer Lab

Grades: 4th-6th

Registration Cost: \$100
